Better ways from here to there

Moving Dutchess Forward

The [Dutchess County Transportation Council \(DCTC\)](#) is excited to announce the start of our update of the countywide transportation plan, Moving Dutchess Forward. The Plan serves as our guiding vision for improving transportation in Dutchess County over the next 25 years.

Work on Moving Dutchess Forward will unfold over the next eight months in four steps: Learn, Assess, Advocate, and Invest. The Learn step, which reviews trends in the county's population, economy, housing, freight, technology, climate, and travel behavior, is now available online for public review and comment at [MovingDutchessForward.com](#).

We want to hear from you!

Public involvement is critical to the planning process, ensuring our transportation priorities reflect the needs of residents, workers, and visitors. We welcome everyone to participate and help shape the new Plan.

Take Our Survey: We've launched an online survey to gather feedback on your transportation challenges and priorities. The survey is available in English and Spanish and will remain open through the end of 2025. Three respondents will also be randomly selected to win a \$25 Visa gift card.

The survey can be accessed at: tinyurl.com/MDFsurvey1

Attend Our Virtual Meeting: We're hosting a virtual public meeting on December 17, 2025 from 12 noon – 1 pm. We'll provide an overview of the planning process, work done to date, and get your thoughts on transportation challenges and priorities.*

To register for the virtual meeting, please visit: tinyurl.com/MDFzoom1

Join us at Pop-Up Events: We'll be at several events to hear your thoughts on the county's transportation system. Stop by our table to meet the team and share your experiences!
