

Moving Dutchess Forward Updates

The [Dutchess County Transportation Council \(DCTC\)](#) is updating our countywide transportation plan, Moving Dutchess Forward. The Plan serves as our guiding vision for improving transportation in Dutchess County over the next 25 years.

We're unveiling the Plan in four steps: Learn, Assess, Advocate, and Invest - and we're now **launching the Assess section!**

In Assess, we identify barriers to safe and reliable transportation and barriers to accessing basic needs like housing and jobs. We previously launched the Learn section, where we discussed trends in population, travel, housing, economy, and freight.

Head over to [Moving Dutchess Forward](#) to read now!

We Want Your Input

As we draft our policy and project recommendations, we want to hear from you! Our [Funding Priorities Survey](#) only takes about 5 minutes and will help us understand what transportation improvements should be prioritized across Dutchess County.

[The \\$100 Challenge](#)

All responses are anonymous (unless you choose otherwise at the end), and you can enter our drawing for a [\\$25 Visa gift card](#).

If you require assistive technologies to complete this survey, please contact Liz Podowski King at liz@highland-planning.com or 585-649-1210.
